

European Truck Filter Catalogue

Nothing Guards Like Fleetguard.

As a filtration company that manufactures its own media, Cummins Filtration knows the science from the inside out. With a full line of filters specifically engineered for a wide range of systems, you receive advanced design and high quality performance, providing the ultimate protection for all your equipment.

- Meets OEM specifications - Fleetguard engineers all products to meet or exceed OEM specifications to ensure engines and other systems get maximum life.
- Filters for every fleet - Fleetguard has over 8,300 products covering the widest range of air, lube, fuel and hydraulic filters in the heavy duty industry.
- Systems approach - We don't just provide parts. We are a comprehensive supplier to support the maintenance of your equipment.

Cummins Filtration Warranty Coverage Beyond the Competition

Providing customers the best warranty coverage in the industry is our ongoing promise that we want to be your supplier for life. Our non prorated warranty guarantees that we will always be there after the sale. If a Cummins Filtration product defect ever necessitates repair of the engine or components, the Cummins Filtration Warranty covers reimbursement of reasonable costs to repair or replace, whichever is less, the damaged engine or components.

We ensure that our Cummins Filtration Warranty goes beyond all other competitive warranties with the most dependable, premium coverage available anywhere in the world, including:

- Uncomplicated, simple Warranty statement
- Warranty in the language of choice
- Non pro-rated Warranty
- Industry-leading response time
- Global coverage for Fleetguard filtration products, chemicals and coolants.
- 24-hour Customer Assistance

An advertisement for Fleetguard engine coolants. The background is a blurred cityscape with green-tinted buildings. In the foreground, three containers of coolant are displayed: a large grey jug on the left labeled 'PG PLATINUM HEAVY DUTY EXTENDED LIFE ENGINE COOLANT', a smaller grey jug in the center also labeled 'PG PLATINUM', and a large purple jug on the right labeled 'PG PLUS PREMIUM HEAVY DUTY ENGINE COOLANT'. The Fleetguard logo is visible on all containers. To the right of the purple jug is a circular logo featuring a map of Australia with the text 'AUSTRALIAN MADE' below it. The overall color scheme is dominated by green and grey.

PG PLUS™ TOTAL ENGINE PROTECTION

- Propylene Glycol based diesel engine coolant
- Extended Service technology that reduces downtime
- Improves productivity and lowers production costs over the life of the engine
- PGPlus can last the life of the engine if maintained properly
- Simple and convenient as there is no mixing required

Cummins Filtration is the only manufacturer that is also part of an engine manufacturer. We know how to provide the very best in engine protection. Ensure the best service for your clients by using Fleetguard range of coolants.
