Hi guys
I need a mount plate for this suspension

Hi mate,
No problem. Are there any ID tags on the hanger?

Sorry, no ID tags or stamps.
It's for adjusting the rear suspension.

I've done some digging and it's SAF AD123. The hanger is \$969.51+ from Melbourne, 2-3 days. Want to go ahead?

Sure do, PO VAM1135.
