With its innovative features and focus on practicality, the **Bulldog Binder®** is designed to make load securement simpler, quicker, easier to use and more reliable for professionals in demanding industries..

ANTI-TWIST LOCKING

Prevents chain twist at the source, reducing injury risk and load failure by locking the chain directly at the securing point.

8MM BB08AU8MM
10MM BB10AU10MM

TWO STAGE LOCKING SYSTEM

Delivers superior control and safety by securing the chain in two separate stages, minimizing risk of accidental release or slippage .

FIELD TESTED FOR 3 YEARS

Field Tested: Tested over 3 years hauling heavy loads with zero failures, no deformation, and proven performance in Australia's toughest real-world conditions.

DON'T ACCEPT AN INFERIOR ANTNERATIVE

WE WILL GO THE EXTRA MILE FOR YOU!

IT'S OUR COMMITMENT

We want to make doing business with us as easy as possible, so we spend a lot of time thinking up new and simpler ways to ensure customers get exactly what they need.

EASY

PARTS ORDERING & TRACKING

TAKE A PHOTO

ADD SOME DETAIL

GET BACK TO IT

TRACK EVERYTHING

Don't spend your day chasing parts and waiting for calls back.

With TranzMate your staff can take a quick photo and post a query and then get back to their work. Our team will then do all the parts interpreting, with everything tracked and 100% transparent. You can even get every purchase through your Head Office if you want to.

You'll see us working in real time on your request with notifications to your phone and we'll ask you follow up questions if required.

Everything live. Everything tracked. Free.

**100%
FREE**

Perfect for fleets, workshops and owner drivers to help you manage 1 or 1,000 trucks.

Hi guys
I need a mount plate for this suspension

Hi mate,
No problem. Are there any ID tags on the hanger?

Sorry, no ID tags or stamps.
It's for adjusting the rear suspension.

I've done some digging and it's SAF AD123. The hanger is \$969.51+ from Melbourne, 2-3 days. Want to go ahead?

Sure do, PO VAM1135.
